Contents

Original article

- Vaginal trichomoniasis among HIV patients attending primary health care centers of Jos, Nigeria 337
Nwadioha SI, Bako IA, Onwuezobe I, Egah DZ
- Molecular typing of *Mycobacterium tuberculosis* isolates from Yaoundé reveals RIF resistance markers, clonal relatedness and mutation patterns 342
Tedom, Penlap V, Kieft R, McArthur AG, Mbacham W, Mark Welch D, Hajduk SL, Titanji VPK
- Tuberculous mastitis—A great mimicker 348
Meenu Gill, Sonia Chhabra, Monika Sangwan, Sneh Singh, Praveen, Parul Tanwar
- PCR based diagnostic assay targeting the beta tubulin gene for the detection of *Trichomonas vaginalis* infection in vaginal swab samples of symptomatic and asymptomatic women in India 352
Surya Prakash Dwivedi, Nuzhat Husain, RB Singh, Nancy Malla
- Increasing trend of Japanese encephalitis cases in West Bengal, India – a threat to paediatric population 358
Debjani Taraphdar, Arindam Sarkar, Bansi B. Mukhopadhyay, Debabrata Chakraborty, Tanuja Khatun, Shyamalendu Chatterjee
- Phlebotomine fauna in the Ponta Porã city: epidemiological importance in border line between Brazil and Paraguay 362
Ana Rachel Oliveira de Andrade, Maria Elizabeth Moraes Cavalheiros Dorva, Sonia Maria Oliveira de Andrade, Alisson Marques, Baldomero Antonio Kato da Silva, Renato Andreotti
- Leptospirosis among zebu cattle in farms in Kaduna State, Nigeria 367
Emmanuel Ochefije Ngbede, Mashood Abiola Raji, Clara N. Kwanashie, Emmanue' Chukwudi Okolocha, Nanven Abraham Maurice, Emmanuella Nguavese Akange, Leslie Ewache Odeh
- In vitro* antiplasmodial activity of marine sponge *Stylissa carteri* associated bacteria against *Plasmodium falciparum* 370
Samuel Jacob Inbaneson, Sundaram Ravikumar

Retrospective study of antibiotic resistance among uropathogens from rural teaching hospital, Tamilnadu, India <i>Kasi Murugan, Savitha T, S. Vasanthi</i>	375
Cockroaches' bacterial infections in wards of hospitals, Hamedan city, west of Iran <i>Nejati Jalil, Keyhani Amir, Moosa–Kazemi Seyed Hasan, Mohammadi Mahdi, Mahjoob Monireh, Boostanbakhsh Atefeh</i>	381
In ova angiogenesis analgesic and anti inflammatory potency of <i>Aerva monsoniae</i> (Amaranthaceae) <i>Sandhya S, Sai Kumar P, Vinod K R, David Banji, Kumar K, Rajeshwar T</i>	385
Impact of <i>Ganogerma applanatum</i> extraction on haematological profiles of laboratory rats: a preliminary study in Nigeria <i>Akpera MT, Oguntayo BO, Jombo GTA</i>	390
Evaluation of the larvicidal efficiency of stem, roots and leaves of the weed, <i>Parthenium hysterophorus</i> (Family: Asteraceae) against <i>Aedes aegypti</i> L. <i>Sarita Kumar, Gokul Nair, Abhay Pratap Singh, Sahil Batra, Naim Wahab, Radhika Warikoo</i>	395
Spatial and temporal distribution of mosquito larvicidal compounds in mangroves <i>M Syed Ali, S Ravikumar, J Margaret Beula</i>	401
Effect of ethanolic extract of seeds of <i>Linum usitatissimum</i> (Linn.) in hyperglycaemia associated ROS production in PBMNCs and pancreatic tissue of alloxan induced diabetic rats <i>Arvindkumar E Ghule, Suresh S Jadhav, Subhash L Bodhankar</i>	405
<i>In vitro</i> antibacterial potential of metal oxide nanoparticles against antibiotic resistant bacterial pathogens <i>R Gokulakrishnan, S Ravikumar, J Anandha Raj</i>	411
Review	
Pharmacological and analytical aspects of gymnemic acid: a concise report <i>K Patel, M Gadewar, R Tripathi, DK Patel</i>	414
Case report	
Rhabdomyolysis due to multiple fire ant bites a case report <i>Anushre Prasad, Ritesh Kumar, Harini Ramanan, Nalini Khandige, Krishnananda Prabhu</i>	417
Tuberculous brain abscess–Case eport <i>Veenu Gupta, Deepinder Chhina, R.K. Kaushal, Rama Gupta</i>	419
